EMPLOYMENT EXPERIENCE

Telecommunications Technician

Canadian Network Installations Ltd.

May 2026 – Present

- Installed, configured, and maintained telecommunications equipment including FPPAs, BBUS systems, and Juniper network infrastructure for both Bell and Freedom projects, ensuring optimal system performance and minimal downtime.
- Diagnosed and resolved technical issues related to network connectivity, hardware malfunctions, and service disruptions, providing timely solutions to maintain customer service levels.
- Conducted routine inspections and preventative maintenance on telecommunications systems, identifying potential issues before they impacted client operations.
- Collaborated with field teams and senior technicians to troubleshoot complex network problems and implement system upgrades across multiple installation sites.
- Maintained detailed documentation of installations, repairs, and maintenance activities, ensuring accurate records for compliance and quality assurance purposes.

Supervisor / QA Specialist

Service Ontario – Arrow Workforce Group

Dec 2024 – Nov 2025

- Monitored and evaluated incoming and outgoing calls across a team of up to 200 agents handling approximately 2,500 daily calls, ensuring quality standards and compliance; provided constructive feedback to drive performance improvements and elevate customer satisfaction.
- Compiled and submitted detailed end-of-day, end-of-week, and end-of-month reports summarizing key performance metrics and identifying areas for improvement.
- Managed client escalation calls as the primary point of contact for complex issues, delivering effective resolutions and maintaining a high standard of customer satisfaction.
- Monitored attendance and performance across a 200-agent team, addressing issues promptly to maintain adequate staffing levels and ensure adherence to company policies.
- Facilitated onboarding training sessions for new agents, covering workplace policies and government-regulated scripting to ensure preparedness across all customer-facing scenarios.
- Maintained agent schedules for a team of up to 200 agents, optimizing shift coverage and staffing efficiency across a high-volume call line.
- Oversaw performance management and offboarding processes, including ongoing performance tracking, documentation, and making recommendations for termination decisions based on objective performance data.

Regional Coordinator

Royal City Soccer Club

June 2024 – Sept 2024

- Oversaw operations across 6 soccer camp locations, managing a combined roster of approx. 180 campers and 24 staff while maintaining consistent adherence to safety protocols, operating policies, and program standards.
- Investigated and resolved incidents and operational issues across all sites, coordinating timely and effective solutions to minimize disruption. Contributed to strong parent satisfaction reflected in positive verbal feedback and returning families across multiple years.
- Fostered a collaborative team environment by supporting coaches and facilitating positive relationships among staff and campers site-wide, while enforcing all camp safety and operating policies.
- Planned and delivered weekly supply runs to all 6 locations, keeping each site consistently stocked and operationally prepared.
- Directed and trained all camp supervisors and staff so that all locations operated smoothly.

Production Administrative Assistant

MNP

Jan 2024 – May 2024

- Retrieved mail and drop box packages, so that they can be processed, vetted, and prepared for scanning.
- Made sure the production space is organized.
- Printed, prepared and sent tax documents to clients via Registered Mail, as well as sending the partners a copy of the RM Receipt so that they may track the package.
- Scanned client's personal and business tax documents into pdfs and saved them into the network drive.
- Conducted data management by organizing and maintaining financial records, optimizing workflow for efficiency and accuracy.

Head Soccer Coach/Supervisor

Royal City Soccer Club

June 2023 – Sept 2023

- Coached and supervised groups of children aged 5–13, delivering soccer instruction while maintaining a safe and engaging camp environment in accordance with league safety regulations.
- De-escalated conflicts and communicated with parents to ensure the needs of their children were met, particularly during injury or illness incidents.
- Managed scheduling and hours for employees and volunteers, and provided oversight and training to counsellors coaching younger age groups.

EDUCATION

- Pierre Elliott Trudeau High School – High School Diploma – OSSD
- (French Bilingual Certificate)
- Centennial College – Software Engineering Technology – Computing Science (*Artificial Intelligence Specialization*)
| September 2024 – Present
